

ECO 603

Split Block

VERA PIETRA NATURALE

Know-how, tradition and the ancient art of master stonemasons have created the Ecopietra split block for flooring applications: the ideal solution for flooring requiring a strong and unique personality, combining structural strength with the style and warmth of natural stone. The surface of the stone has been split by hand and it can be laid on mortar or aggregate.

NATURA:
Hard limestone.
Lab trials carried out by the Ufficio di Geologia di Bolzano.

TYPE:
ECO 603 A
Thickness 7/8 cm
Block width 25 cm
Width: fugue style

Broken, antiqued surface
Split Block

FORMATS SUPPLIED:
Pallets:
sizes 80 x 120 cm
packaging:
zinc-plated wire meshing

weight:
200 Kg/sq.m

Cost (mq.)
